About March of 2011, Dr. Carol Hanley done a root canal & crown on my #7 tooth. She did not do it correctly. So I went back to have her redo the tooth, they wanted to charged me an additional \$200.00. I went to talk to the CEO which is Archie Griffin and explain my situation. He talked to the dentist assistant and then sent me back upstairs and said the problem will be handled. Dr. Hanley had somewhere to be that day so she told me to come back the next morning at 9:00am. The next day she did a build up ^{and} put a temporary tooth on, which came off in 3 days. I went back to her again for her to fix it and she wouldn't, at the time, she made me wait 3 week. She still didn't do the root canal & crown right. I was in pain, so I went back to Mr. Griffin and this time he sent me to Myrtle Hill Company on 5541 River view, St. Louis, Mo. 63120. I

(over)

seen Dr. Oswald Thomas and he said that I couldn't be having pain, after I explained to him what happened. I left, but I went back to Dr. Thomas on 4-4-12 and he did X-rays and he was surprised at what he seen. He tried to take off the crown that Dr. Hanley put on and couldn't get it off. So he gave me a prescription for antibiotics and referred me to a specialist, He referred me to (Dr. Adam Ram) Endodontic Associates, LLC, 1431 US Hwy 61 South, Festus, Mo. 63028. I seen the Dr. there on 4-24-12 and he got the crown off. and packed it with antibiotic to get the infection out. I went back on 5-8-12 and he redon the root canal. He charged me \$925.00. I have dealt with the pain and the problem from March of 2011 up until May 8, 2012. Dr. Adam Ram could not put the crown back on he said I had to find another dentist to do that. I went to Dr. Kevin Fallert DDS on 8-9-12 to get an estimate of the work. The total he gave me is \$806.50. I returned on 8-21-12 for him to get started, and I have to

returne on 9-11-12 for him to finish.

V. Relief: State briefly and exactly what you want the Court to do for you.
